

# Robert Struthers - Jean Wilson

**Robert Struthers** and **Jean Wilson**'s parents and dates and places of birth are unknown.

Based on the ages of his children, Robert and Jean were probably born no later than 1764, and no earlier than around 1720-1730; later in Jean's case.

There are 17 entries in the Old Parish Records for a Robert Struthers born between these dates. Twelve are from South Lanarkshire, i.e. Avondale/East Kilbride/Glassford, one from Kilmarnock in Ayrshire and the rest from other parts of the country.

The possible entries for Jean Wilson are even more numerous; 79 in Ayrshire and 80 in Lanarkshire.

If the Scottish naming convention was followed, Robert's parents were possibly James and Janet, and Jean's parents were possibly Robert and Isabel. There are several entries in the OPR indexes which match a James/Janet marriage in the immediate area, but only one for Robert/Isabel, in Hamilton parish.

Robert and Jean were proclaimed to be married in the parish of Avondale on 30 November 1782<sup>1</sup>National Records of Scotland, Old Parish Records, 1782 Marriages, 621 (Avondale), 20/157

There are no other recorded births in the whole of Lanarkshire for Janet Struthers, daughter of Robert Struthers, for the period 1768 to 1808. The informant was Janet's son, who could be expected to know his mother's maiden surname.
